CBC Strategical Events Partners

"I consider myself fortunate to work in an industry that has the power to make a positive impact on people's lives and the planet's future. With over 15 years of experience in the PV and storage value chain, I have gained a clear understanding of what truly matters in this market. The CleanTech Business Club is not just a business club but a community of visionary individuals who believe in the power of Human to Human interactions in the business world. Our diverse membership includes professionals from all parts of the value chain, united by a common goal: to drive the energy transition forward. I am honored to serve as the chair of CBC in Spain and proud to be part of a global network of professionals committed to making a difference. #TogetherWeAreStronger."

**Laura Azpilicueta, CBC Chair for Spain**  
European Director ESS Business at CATL - AMPACE Technology Limited

"I am honored to be part of the CleanTech Business Club which unites visionary leaders in clean technologies worldwide. With over 15 years of unwavering dedication, I have passionately fostered the growth of renewables in Bulgaria and the Balkan region, paving the way to a sustainable and greener future. I am thrilled to contribute as CBC Chair for Bulgaria to the joint vision of the club, believing that through collaboration with other CBC members and partners, we can accelerate the cleantech transformation in renewables, energy storage, Clean Hydrogen, and e-mobility even faster. #TogetherWeAreStronger!"

**Hayrie Shan, CBC Chair for Bulgaria**  
CEO at Eco Power Abu Dhabi

# Sponsorship of CBC High-Level Events

Reflecting its prestigious reputation and close-knit “family-like” atmosphere, CBC VIP Gatherings are exclusive events that unite an Elite Circle of Luminaries from the CleanTech, Clean Water, and Clean Hydrogen industries alongside Financial Experts, Investors, Major Project Developers, EPCs, and Influential Policy Decision-Makers.

These gatherings also draw participants from critical sectors, including **Energy Majors, Mining & Utilities, Infrastructure & Heavy Industry, Construction, Architecture & Hospitality, Maritime, Aerospace, Food & Agriculture, and the AI & Digital industries**, fostering a vibrant hub of visionary leadership, innovation, and collaboration.

To maintain the unique character of these events, the Club enforces strict sponsorship rules.

## Sponsorship Guidelines:

- 1. Exclusive Access:** Sponsorship opportunities are reserved **exclusively for CBC Corporate Partners**, ensuring alignment with the Club’s values and standards.
- 2. Limited Sponsorship:** To uphold the exclusivity and impact of each event, **sponsorships are limited** to a select number of **non-competitive sponsors**. This approach preserves the intimate, influential atmosphere while ensuring adequate resources to enhance the event's distinctive character.
- 3. Event Listings:** A comprehensive list of **Events Available for Sponsorship** is provided on the following page, categorised into **CBC Exclusive Tier 1 (T1) and Tier 2 (T2)** as well as **CBC Co-organised (CO)** events.
- 4. Tailored Benefits:** Sponsors of CBC Exclusive Tier 1 (T1) and Tier 2 (T2) events receive customised benefits, listed on the page 52, which may vary slightly depending on the event venue and the availability of audio/video equipment. Sponsors of CBC Co-organised (CO) events will benefit from both CBC and events organisers sides.
